

Greetings Municipal Heritage Committee Members,

As part of updating the Ontario Heritage Tool Kit, MHSTCI will be updating some of the photos/illustrations/examples within its suite of guidance materials. We want to include imagery from across the province, representative of the diversity of Ontario.

If you think you may have images that you are able to share, please contact us by replying to this email and we will provide you with a list of the specific types of subject matter we're looking for.

We will require permission from the photographer, by means of a signed release form, for any images we use. We will also require signed consent forms from any individuals depicted in the images. We will make copies of these forms available to all municipal heritage committees that send us a reply.

Sincerely,

The Ontario Heritage Tool Kit Team
