**Date:** May 30, 2023

**Resolution Number:** R- 101 - 23

**Moved by:** Councillor Abbott

**Seconded by:** Councillor Patterson

WHEREAS some proponents of water aerodromes claim federal jurisdiction to bypass provincial and municipal authorities and build massive docks and boathouses under the guise of the Aeronautics Act;

AND WHEREAS Transport Canada does not require proponents of water aerodromes to follow the same registration and certification procedures as land aerodromes;

AND WHEREAS Transport Canada's current regulations for water aerodromes fail to state that mixed-use docks and structures are not permitted;

AND WHEREAS Transport Canada does not require a proponent to be transparent with local authorities about their intentions or submit a building permit and final construction plans;

AND WHEREAS Transport Canada does not require a proponent to provide the municipality with a copy of the water aerodrome registration or certification documents;

AND WHEREAS Registration and certification of water aerodromes are done without environmental impact assessments from provincial and municipal authorities;

AND WHEREAS Registration and certification of water aerodromes are done without safety assessments from local authorities;

AND WHEREAS Transport Canada's loopholes in the regulations lead to lengthy court battles paid by provincial and municipal jurisdictions.

NOW THEREFORE, be it resolved that the Council of the Township of Ryerson supports efforts to raise awareness about the loopholes in current regulations regarding water aerodromes that allow proponents to build massive docks and boathouses without municipal consultation, approval, or adherence to bylaws and regulations.

AND FURTHERMORE, The Council of the Township of Ryerson endorses the letter from the Three Mile Lake Community Club Inc. and calls on Transport Canada to:

- Amend current legislation regarding water aerodromes to require mandatory consultation and transparency with provincial and municipal authorities prior to construction.

- State that 'mixed-use' docks and structures will not be permitted

AND FURTHERMORE, the Council of the Township of Ryerson urges all mentioned in this resolution to support petition e4364 to the Minister of Transport, Omar Alghabra.
