

Navigating Health:

Mapping Resources and Community Services to Enable
Aging in Place for Older Adults of Pakenham and
Mississippi Mills

Bridging Generations-Age Friendly Pakenham

Process

- Identified poor awareness of existing services in MM (Health Fair 2023)
- \$4500 from Community Safety and Well Being Plan to improve data base for 211(2024) PIVOT Point
- Partnerships forged with LLG OHT and CNEO to explore 211/811systems
- Providers Forum to identify barriers and enablers (June 2024)
- Public education workshops and resources developed (Jan 2025)

Goals

Outcomes

LLG OHT/CNEO - learn about local resources to inform development of a complete and accurate navigation system

Bridging Generations - identify challenges and opportunities to improve ageing in place

Attendees- improve their ability to keep profiles updated and network with other providers

Look for other partners e.g. Library systems

Carebridge partnership strengthened- membership, programs, community profile

Improved partnerships with CNEO and Health 811

LLG OHT commitment to improve and maintain Navigation system

Education about 211/811/911 ongoing

Community Benefits

Community information is now up to date and accurate

Collaborative Efforts

Concrete outcome for community education

make the
right call

211 Offers 24/7 access to local non-emergency services and support programs.

811 Connects you to a qualified health professional for advice and information.

911 Connects you to police, fire or ambulance services to respond to emergencies.
