The 53rd Annual General Meeting of the Mississippi Valley Conservation Authority will be held February 17th at 1:00 p.m.

Watershed Plan – Public Consultations

The public are invited to participate in four “*Lunchtime Talks*” and to provide comment on a [series of Discussion Papers](#) related to the Watershed Plan. The papers focus on 8 themes: [Agriculture](#), [Growth & Development](#), [Forestry](#), [Municipal Infrastructure](#), [Natural Systems](#), [Tourism](#), [Water Management](#), and [Waterfront Properties](#) plus an [Introductory](#) discussion paper for the project.

In total, the various discussion papers recommend [35 Actions](#) to achieve the Watershed [goals and objectives](#) approved by the Board last year. The comment period ends on March 19, 2021 so that staff can draft and table the Watershed Plan for review and approval by the Board before summer.

Lunchtime Talks are held 12:15 – 12:45 pm and will be recorded and posted so that people unable to attend the live sessions can receive the briefings.

February 12 – Water Management
February 19 – Waterfront Properties
March 5 - Natural Systems
March 12 – Land Development
