Dear Mayor Lowry,

I am writing today to inform you about some recent internal organizational changes at the Ministry of Transportation (MTO), and to introduce myself as the Director of East Region Operations.

In July 2020, MTO implemented a new organizational model that resulted in the creation of the Operations Division. Our division integrates the delivery of ministry services in the region and will continue to be your key contact on any emerging issues and areas of interest. We play an integral role in the ministry's work on corridor management, emergency management, infrastructure preservation and protection, maintenance and operations to ensure a safe, continuous flow of people, goods and services to facilitate economic prosperity.

I want to highlight our most important work, working closely with stakeholders and Indigenous partners throughout the phases of our work. As the Director my highest priority is maintaining strong relationships with our external stakeholders and partners, and I will endeavour to facilitate this wherever possible.

I look forward to continuing our relationship with you under this new organizational structure. If you require support or have any questions related to any ministry service, please feel free to contact me at Jeff.Hudebine@ontario.ca or 613-329-9820. Alternatively you may also contact Charlene Millett, Regional Services and Relationship Manager by email at Charlene.Millett@ontario.ca by phone at 613-483-2259.

Sincerely,

A handwritten signature in dark ink, appearing to read "Jeff Hudebine".

Director, East Operations
